## **RESPONSE TO RESTRICTION REQUIREMENT**

Sir:

This is in response to a communication from the Examiner in charge of the subject application, which communication was mailed on September 12, 2006. In that Office communication, a one-month shortened statutory period was set for response. Applicants hereby petition for the necessary three-month extension of time under 37 C.F.R. § 1.136 to respond to that action and note that the fee required under 37 C.F.R. § 1.17(a) in connection with this Amendment will be paid during electronic filing via the Revenue Accounting and Management System. Furthermore, if it is determined that any additional fees under 37 C.F.R. §§ 1.16 or 1.17 are due in connection with this Response, authorization to charge such fees to Deposit Account No. 02-2955 is provided during electronic filing via the Revenue Accounting and Management System. In addition, Applicants also request that any subsequently filed response requiring a petition for an extension of time for its timely submission be treated as if it incorporated such petition for an extension of time pursuant to the provisions of 37 C.F.R. § 1.136(a) and hereby authorize that any fees due in connection therewith be charged to Deposit Account No. 02-2955.

In the Office Action dated September 12, 2006, the Examiner imposed a restriction requirement. In response to that restriction requirement, Applicants hereby elect group II (claims 7-11) drawn to a method for treating inflammation in the pharynx.
